(2006/C 12/09)

1. In accordance with Decision No 1513/2002/EC of the European Parliament and of the Council of 27 June 2002 concerning the sixth framework programme of the European Community for research, technological development and demonstration activities contributing to the creation of the European Research Area and to innovation (2002 to 2006) <sup>(1)</sup>, the Council adopted on 30 September 2002 the specific programme for research, technological development and demonstration: 'Structuring the European Research Area' (2002-2006) <sup>(2)</sup> (referred to as 'the specific programme').

In accordance with Article 5(1) of the specific programme, the Commission of the European Communities (referred to as 'the Commission') has adopted on 6 December 2002 a work programme <sup>(3)</sup> (referred to as 'the work programme') setting out in greater detail the objectives and scientific and technological priorities of the specific programme, and the timetable for implementation.

In accordance with Article 9(1) of the Regulation of the European Parliament and of the Council of 16 December 2002 concerning the rules for the participation of undertakings, research centres and universities in, and for the dissemination of research results for, the implementation of the European Community Sixth Framework Programme (2002 to 2006) <sup>(4)</sup> (referred to as 'the rules for participation'), proposals for indirect RTD actions should be submitted under the terms of calls for proposals.

The annex indicates in particular, the date of closure for the submission of proposals for indirect RTD actions, an indica-

tive date for the completion of the evaluations, the indicative budget, the instruments and the areas concerned, the evaluation criteria for the evaluation of proposals for indirect RTD actions, the minimum number of participants, and any applicable restrictions.

3. Natural or legal persons fulfilling the conditions stated in the rules for participation and that do not fall under any of the exclusion cases in the rules for participation or in Article 114(2) of the Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002 on the Financial Regulation applicable to the general budget of the European Communities <sup>(5)</sup> (referred to as 'the proposers') are invited to submit to the Commission proposals for indirect RTD actions subject to the conditions in the rules for participation and in the call concerned being fulfilled.

The conditions of participation of the proposers will be verified within the framework of the negotiation of the indirect RTD action. 5. Proposals for indirect RTD actions are invited to be submitted only as an electronic proposal via the web-based Electronic Proposal Submission System (EPSS<sup>(2)</sup>). All proposals for indirect RTD actions must contain two parts: the forms (Part A) and the content (Part B).

Proposals for indirect RTD actions should be prepared and submitted on-line. Part B of proposals for indirect RTD actions can only be submitted in PDF ('portable document format', compatible with Adobe Version 3 or higher with

Versions of proposals for indirect RTD actions submitted on a removable electronic storage medium (eg, CD-ROM, diskette), by email or by fax will be excluded.

Any proposal for indirect RTD actions that has been allowed to be submitted on paper and which is incomplete will be excluded.

Further details on the various proposal submission procedures are given in Annex J of the Guidelines on Proposal Evaluation and Selection Procedures.

6. Proposals for indirect RTD actions have to reach the Commission at the latest on the closure date and at the time specified in the call concerned. Proposals for indirect RTD actions arriving after this date and time will be excluded.

Proposals for indirect RTD actions not satisfying the conditions relating to the minimum number of participants indicated in the call concerned will be excluded.

This also applies regarding any additional eligibility criteria given in the work programme.

7. In the case of successive submissions of the same proposal for an indirect RTD action, the Commission will examine the last version received before the closure date and time specified in the call concerned.
8. If foreseen in the relevant call, proposals for indirect RTD actions could be evaluated in the framework of a future evaluation.
9. In all correspondence relating to a call (e.g. when requesting information, or submitting a proposal for an indirect RTD action), proposers are invited to cite the relevant call identifier.
